

2013 Food Delivery Schedule

Please pick up the food from the food basket each week during your assigned month and deliver to the assigned organization. If the food has not been taken to the bench at the back door in the Tilford Room near the kitchen, please get it from the Sacristy and return the basket to the hall outside the sacristy. You will need help lifting it. People at coffee hour are most kind about pitching in with the transport. Contact Lucia Thomas (662-0278) if you have questions or need a substitute for one of your weeks. I will be happy to fill in when you have other commitments for one of your weeks. Just let me know.
